MD EMRAN CHOKDER

FRONTEND DEVELOPER

Dhaka, Bangladesh | +8801760038127 | theemrandev@gmail.com
LinkedIn: linkedin.com/in/theemrandev | GitHub: github.com/theemrandev

PROFESSIONAL SUMMARY

Results-driven Frontend Developer with hands-on, project-based experience designing and building modern, responsive, and user-friendly web interfaces. Proficient in HTML5, CSS3, JavaScript, TypeScript, React.js, Next.js, and Tailwind CSS. Adept at creating reusable components, implementing responsive UI, and solving practical problems. Eager to contribute technical skills and a growth mindset to a high-performing engineering team.

TECHNICAL SKILLS

Frontend Languages & Frameworks: HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js, Next.js
Styling & UI Design: Tailwind CSS, Bootstrap, jQuery, Responsive Web Design, Figma
State Management & APIs: Redux, Zustand, REST APIs
Developer Tools & Version Control: Git, GitHub, Vite

PROFESSIONAL EXPERIENCE

Frontend Developer (Project-Based Experience) **<1 Year**

- Engineered responsive frontend web interfaces utilizing React.js, Vite, Tailwind CSS, HTML5, CSS3, and JavaScript.
- Developed modular, reusable UI components, structured product listings, responsive layouts, and interactive user features.
- Integrated and consumed REST APIs while managing application state using modern concepts including Redux and Zustand.
- Utilized Git and GitHub for efficient version control and successfully translated Figma design wireframes into production-ready functional interfaces.

FEATURED PROJECTS

Ecobazar E-commerce Frontend

- Built a feature-rich, modern e-commerce frontend application leveraging React, Vite, and Tailwind CSS.
- Designed and implemented dedicated product catalog sections, interactive cart management UI, fully responsive layouts, reusable components, and icon-driven user interactions.

Nurul Amin College & University Website

- Developed a comprehensive, multi-page responsive educational institution website using HTML, CSS, JavaScript, and Bootstrap.
- Integrated dynamic notice boards, contact and location directories, embedded Google Maps, multimedia gallery modules, and bilingual (Bangla/English) language switching capabilities.

EDUCATION

HSC | Nurul Amin College, Madaripur (Passed: 2025 | GPA: 3.58 / 5.00)

SSC | Joynagar Julmat Ali High School (Passed: 2023 | GPA: 3.83 / 5.00)

ADDITIONAL INFORMATION

Languages: English (Intermediate Working Proficiency)

Career Development Focus: Expanding technical expertise into backend development, DevOps methodologies, and Generative AI.

Availability: Open to remote and international opportunities.
